In inviting your kind reference to Government Order No.2970/81/W dated 6th January 1943 sanctioning an allowance of Re. 1/- to the Doctors who took first aid classes in Mysore City, I have the honor to state that in the statement furnished by this office, the name of Dr. K Shamanna, Sub-Assistant Surgeon, Eranagere Dispensary, who took first aid classes in Eranagere was omitted. This omission was due to the fact that the details of classes both the number of days and the dates on which he took them were n o t furnished at the time either by the Doctor or the Divisional warden though reminded several times. It is seen from the correspondence (Copies of which are enclosed, for ready reference), that the doctor sent the concerned references including the attendance register etc. in original, to the Divisional warden, Mandy and Lashkar Mohallas and therefore he could not give the information himself. The Divisional warden, however, did not reply to this office letters Nos. 1347 dated, 9th March 1943 and 1400/ dated, 19th March 1943 on the subject. To avoid delay in getting sanction for the payment of the allowance to the doctors, a recommendation was sent with the available iformation including only such of the doctors who had furnished the required details. Dr. K. Shamanna has now collected the required information and has furnished his bill amounting to Rs. 25/- only. He has trained two batches of A.R.P. First Aiders as per details noted in the margin. I request that sanction may kindly be communicated for paying him the same allowances as has been given to other doctors.

I request early orders in the matter.

1st Batch :	13 lectures from 13/5/42 to 28/5/42 at Re. 1/- each lecture ...	Rs. 13/-
11nd Batch	12 lectures from 3/6/42 to 16/6/42 at Re. 1/- each lectures ...	12/-
		Rs. 25/-
